

# LITHGOW CITY COUNCIL

Policy 7.1

FILLING AND LEVELLING OF LAND

Version 1

## 7. Planning

### 7.1 FILLING AND LEVELLING OF LAND

**OBJECTIVE:** To define when a development application will be required to fill land.

**POLICY:**

That a development application be required in the following circumstances:

- 1 Where land is subject to inundation by floodwaters, or
2. Where the depth of fill exceeds 500mm.

Development applications not are required where a small amount of fill is required to create a level site and the extent of the fill does not exceed the building envelope.
